

MEMBER DISCOUNT

The Manitoba Food Processors Association (MFPA) is pleased to announce an addition to the **MFPA Group Purchase and Discount Programs:**

MFPA PRINT SERVICE & SUPPLIES BUYING GROUP PROGRAM

Print supplies (toner, ink, paper) and services continue to grow in cost and consume more than 50% of the average office supplies budget in Canada.

The MFPA is addressing this issue by partnering with *Carlyle Printers, Service & Supplies Inc.* (Carlyle). As Manitoba's low-cost, high-value printer service and supplies specialist, Carlyle has the experience to maximize the cost-saving benefits for MFPA Members.

Main Benefits:

- MFPA members will receive **significantly reduced prices**--up to **25%** on EcoTonePlus brand and **10%** on Original Equipment Manufacturer brands.
- 100% Guarantee on products and service quality.
- **No affect on OEM installation warranties** if compatible toner cartridges are used.
- Carlyle Printers, Service and Supplies Ltd. is an **HP-certified service provider**.

A Carlyle Representative will be contacting you to discuss your printer supplies and service needs and to determine your actual cost savings with the new **MFPA Print Service & Supplies Buying Group Program**.

If you prefer, you may contact Carlyle at (204)480-4876 or carlyle@carlylepss.com. Please remember to identify yourself as a MFPA Member.
